

Looking for something a little different?

Step outside the conference room for a venue with a difference. The Watergarden rooftop is ideal for cocktail parties with a view overlooking the lake and the magnificent golf course. Marquees can be placed almost anywhere on our picturesque grounds, catering for groups as large as 500.

Inside, the Tasman Room and Tasman Lounge offer elegant, cosy décor – perfect for dinners or cocktail parties. And for something truly memorable, the Terrace Restaurant offers magnificent degustation menus and features a custom-designed Tasmanian blackwood timber wine room.
